3	To be honest	Speaking truthfully	To be honest, I didn't enjoy the movie.
4	By the way	Introducing another topic	By the way, have you met our new trainer?
5	On the contrary	Introducing an opposite idea	He isn't lazy; on the contrary, he works very hard.
6	In other words	Expressing the same idea differently	In other words, we need to start again.
7	For instance	Giving an example	Many skills are useful; for instance, communication and teamwork.
8	In addition	Adding information	In addition, we need to submit the report.
9	Apart from that	Besides something	Apart from that, everything went smoothly.
10	At the same time	Simultaneously	We should be confident and humble at the same time.
11	In the meantime	During the waiting period	In the meantime, please complete the assignment.
12	So far	Until now	So far, we have completed three chapters.
13	From now on	Starting at this point	From now on, I will arrive on time.
14	Once in a while	Occasionally	We eat outside once in a while.
15	Every now and then	Sometimes	I visit my hometown every now and then.
16	All of a sudden	Unexpectedly	All of a sudden, the lights went out.
17	At the moment	Right now	I am occupied at the moment.
18	In no time	Very quickly	She completed the task in no time.
19	Sooner or later	Eventually	Sooner or later, hard work pays off.
20	More or less	Approximately	The work is more or less complete.
21	As usual	In the normal way	He arrived late as usual.

22	No wonder	It is not surprising	No wonder she is tired after such a long day.
23	That reminds me	Something brings another thought to mind	That reminds me, I need to call my brother.
24	Come to think of it	After considering something	Come to think of it, your suggestion makes sense.
25	If you ask me	Giving a personal opinion	If you ask me, this is the better option.
26	It depends	The answer varies according to circumstances	It depends on how much time we have.
27	Fair enough	Accepting a reasonable point	Fair enough, I understand your concern.
28	I beg to differ	Politely disagreeing	I beg to differ; I think we need another approach.
29	That makes sense	That is logical	Your explanation makes sense.
30	I see your point	Understanding someone's argument	I see your point, but I have a different opinion.
31	You have a point	Your argument is valid	You have a point about the importance of practice.
32	I couldn't agree more	Completely agreeing	I couldn't agree more with your suggestion.
33	Not necessarily	Not always or in every case	Expensive products are not necessarily better.
34	It goes without saying	Something is obvious	It goes without saying that punctuality matters.
35	Needless to say	Obviously	Needless to say, preparation is important.
36	To some extent	Partly	I agree with you to some extent.
37	For the time being	Temporarily	We will use this arrangement for the time being.
38	In the first place	Initially	Why did you agree in the first place?
39	At least	Not less than or anyway	At least give it a try.
40	After all	Considering the situation	After all, everyone makes mistakes.
41	In fact	Actually	In fact, I had already completed the assignment.
42	As a matter of fact	To be precise or truthful	As a matter of fact, I have never met him.
43	On purpose	Intentionally	I didn't break it on purpose.
44	By accident	Unintentionally	I deleted the file by accident.
45	In advance	Beforehand	Please inform me in advance.
46	At once	Immediately	Please report to the manager at once.

47	On time	At the scheduled time	Please make sure you arrive on time.
48	In a hurry	Without enough time	I was in a hurry this morning.
49	Take your time	Do not rush	Take your time while answering.
50	Make yourself comfortable	Feel relaxed	Please come in and make yourself comfortable.
51	Bear with me	Be patient with me	Please bear with me while I check the details.
52	Keep in mind	Remember something	Keep in mind that practice is essential.
53	Make up your mind	Decide	You need to make up your mind soon.
54	Take into account	Consider something	Take everyone's suggestions into account.
55	Look forward to	Feel excited about something upcoming	I look forward to meeting you.
56	Get back to someone	Reply later	I will get back to you tomorrow.
57	Bring up	Introduce a topic	She brought up an important issue.
58	Carry on	Continue	Please carry on with your work.
59	Come across	Find or encounter unexpectedly	I came across an interesting article.
60	Figure out	Understand or solve	I am trying to figure out the answer.
61	Find out	Discover information	I need to find out what happened.
62	Give it a try	Attempt something	You should give public speaking a try.
63	Hang on	Wait briefly	Hang on, I will be back in a minute.
64	Hold on	Wait	Hold on while I connect the call.
65	Keep up	Maintain the same pace	Keep up the good work.
66	Let me know	Inform me	Let me know if you need assistance.
67	Make sense	Be logical	Your answer doesn't make sense.
68	Put off	Postpone	Don't put off your preparation.
69	Run out of	Have no more left	We have run out of time.
70	Settle down	Become calm	Everyone, please settle down.
71	Speak up	Speak more loudly	Please speak up; I can't hear you.
72	Turn down	Reject an offer	She turned down the job offer.
73	Work out	Find a solution or succeed	I hope everything works out well.
74	Keep an eye on	Watch carefully	Please keep an eye on the students.
75	Make an effort	Try hard	Make an effort to speak English daily.
76	Take a break	Rest briefly	Let's take a break after this session.

77	Have a say	Have the right to express an opinion	Everyone should have a say in the decision.
78	Get along	Have a friendly relationship	I get along well with my colleagues.
79	Look into	Investigate	We will look into your complaint.
80	Point out	Highlight something	Let me point out a small mistake.
81	Put across	Communicate an idea	She put across her thoughts effectively.
82	Run into	Meet unexpectedly	I ran into an old friend yesterday.
83	Take over	Assume control	She will take over the project next week.
84	Think over	Consider carefully	Think over the proposal before accepting.
85	Turn up	Arrive or appear	He didn't turn up for the meeting.
86	Wrap up	Finish something	Let's wrap up the discussion.
87	Back out	Withdraw from an agreement	He backed out of the deal.
88	Break down	Stop functioning	My car broke down on the way.
89	Bring about	Cause something to happen	Education can bring about positive change.
90	Call off	Cancel	They called off the event.
91	Cut down on	Reduce	I am trying to cut down on sugar.
92	Deal with	Handle a situation	We must learn to deal with criticism.
93	Get rid of	Remove something unwanted	Get rid of unnecessary distractions.
94	Go through	Experience or examine	She went through a difficult phase.
95	Look up to	Admire someone	I look up to my parents.
96	Make up for	Compensate for something	I worked extra hours to make up for the delay.
97	Put up with	Tolerate	I cannot put up with rude behaviour.
98	Take part	Participate	Everyone should take part in the competition.
99	Turn out	Prove to be	The event turned out to be successful.
100	Keep in touch	Maintain communication	Let's keep in touch after graduation.
